Financial Solutions

for legal professionals

Compliance

We can ensure that you are in compliance with all relevant tax laws and regulations, minimising the risk of penalties and fines. We can also help you to stay compliant with the rules and regulations of the Solicitors Regulation Authority (SRA) regarding trust accounting.

Financial Management

We can help you to maintain accurate financial records, prepare financial statements and provide regular reports on your firm's financial performance, which will help you to make more informed business decisions.

Tax Compliance

This includes ensuring that you are in compliance with all the relevant tax laws and regulations and preparing and filing returns.

Tax Planning

We can help to minimise your tax liability by providing tax planning advice and identifying tax-saving opportunities.

Financial Solutions

for legal professionals

Cost Recovery

We can provide advice on cost recovery and billing, which can help you to increase your revenues and profitability.

Auditing & Assurance Services

We can provide assurance services such as independent audits of financial statements, and internal controls review which can help you to identify any potential issues and take steps to mitigate them.

Trust Accounting

We provide the management of clients' funds in trust and the preparation for the relevant trust account reports.

Advice & Guidance

Provide advice and guidance as to how we may also be able to assist your clients with their financial needs, either on a personal level or related to their business.

This guide is for guidance only, and professional advice should be obtained before acting on any information contained herein.
