Uplifting communities, building brighter futures

About the Foundation

The Bradbury Foundation was founded in 2024 by Forrester Boyd Chartered Accountants as a legacy to Lee Bradbury. Lee was Partner and Chairman of the firm's Louth office who sadly passed away on 12 August 2022 at the youthful age of 40. Lee was a larger-than-life character with a unique sense of humour that endeared him to all who came into contact with him.

The Bradbury Foundation's purpose is to provide financial support for community projects that will enhance and improve the quality for communities within a 25 mile radius of the Forrester Boyd offices based in Grimsby, Louth, Scunthorpe, Skegness, Beverley and Lincoln.

How we raise our funds

At Forrester Boyd, we are committed to more than just professional excellence, we actively support our charity, The Bradbury Foundation, through various fundraising activities.

Our team enthusiastically contributes to enhancing the foundation's visibility and financial resources, ensuring that we make a meaningful impact together.

Throughout the year, we host a series of signature events that serve as major fundraising opportunities such as a Golf Day and the much-anticipated Annual Professionals Christmas Quiz, both of which bring together individuals and teams to support a noble cause.

We pride ourselves on strong connections with clients, businesses and professional service firms throughout Lincolnshire and the East Riding of Yorkshire. Through these valued relationships, we leverage our collective commitment to the community projects championed by The Bradbury Foundation.

Together, we strive to make a significant impact in the communities where we live and work.
